A PLACE TO CALL HOME

Become part of a group that values your input and contributions and provides excellent resources for growth — all while achieving the quality of life you desire.

Central New York is a thriving region with safe and affordable family-oriented neighborhoods and innovative business community.
The area offers critically acclaimed cultural activities, access to college and professional athletics, and renowned educational programs.

The region's progressive economy and culturally diverse population support an outstanding quality of life for families and individuals alike. Big city culture, unique communities, lush natural surroundings – these are among the many amenities you'll discover when you choose A.M.P. as your practice home.

Due to our next phase of growth, we are seeking a urologist to join our thriving practice, which spans nine offices in five counties and attending at nine area hospitals.

Here's what you'll find:

- Thousands of patients served annually through a collaborative team of General Urologists, Urologic Subspecialists and Radiation Oncologists
- Revolutionary cancer treatment procedures, including IMRT and Robotic Prostatectomy, Cystectomy, Nephrectomy and Adrenalectomy
- Comprehensive urologic care including specialty care in Oncology, Stone Disease, Female Pelvic Reconstruction, Sexual Medicine/Andrology and more than 20 active Clinical Trial Studies
- Selected additional procedures: Male and Female Slings, Urethral Bulking Procedures, Penile Implant, Artificial Urinary Sphincter, Robotic Prolapse Repair Surgery, UroLift, Rezum, InterStim and Axonics
- Ancillary services: Ambulatory Surgery Center, Imaging, Robust Research Program, In-house Dispensary, Lab, Genetics and Genomics
- Interventional Radiology Center with new minimally invasive treatment options for Enlarged Prostate, Uterine Fibroids and more
