

New Jersey Urology

A Place to Call Home

Our team of dedicated care professionals deliver comprehensive, patient-centered care with more than 50 specialized urologic services.

New Jersey offers an exceptional environment for medical professionals, combining a thriving healthcare community with the region's renowned quality of life. The area provides access to top-rated hospitals, along with a diverse and growing patient population.

Physicians at New Jersey Urology enjoy a collaborative professional network, state-of-the-art medical resources, and close proximity to Philadelphia and the Jersey Shore.

Joining our team means becoming part of a respected organization in a region that champions clinical excellence, innovation, and patient-centered care.

Due to our next phase of growth, we are seeking urologists and specialists to join our thriving practice serving patients in 20+ locations throughout the state.

Our patients benefit from the expertise of nationally recognized urologists, highly skilled advanced practice providers, and subspecialists at the forefront of modern urologic medicine.

Our comprehensive urologic services include:

- Men's and women's urologic health
- Minimally invasive surgical procedures
- Advanced robotic surgery
- Urinary stone management and kidney stone treatment
- Erectile dysfunction evaluation and treatment
- Incontinence diagnosis and solutions
- Complex urologic oncology care
- Prostate health and treatment options
- Pelvic floor therapy and solutions
- Fertility evaluation and care
