

Florida Urology Center

A PLACE TO CALL HOME

Are you ready to become part of a group that values your input and contributions, and provides a financially sound practice with excellent resources for growth — all while achieving quality of life desired by you and your family?

Northeastern Florida is a thriving region with safe and affordable family-oriented neighborhoods and innovative business community.

The area offers critically acclaimed cultural activities, access to college and professional athletics, and renowned educational programs.

The region's progressive economy and culturally diverse population support an outstanding quality of life for families and individuals alike. Unique communities with beautiful natural surroundings - these are among the many amenities you'll discover when you choose Florida Urology Center as your practice home.

Due to our next phase of growth, we are seeking a urologist to join our thriving practice, which spans five offices offering Men's Health, Women's Health and Cancer Care.

Here's what you'll find:

- A culture of empowerment, respect and commitment to supporting each other as colleagues, along with a passion to deliver exceptional patient care
- Thousands of patients served annually through a collaborative team of General Urologists, Urologic Subspecialists and Radiation Oncologists
- Revolutionary cancer treatment procedures, including IMRT, Robotic Prostatectomy, SpaceOar and Gold Marker Placement
- Comprehensive urologic care including specialty care in Oncology, Stone Disease, Sexual Medicine, Andrology, and Bioidentical Hormone Replacement Therapy
- Selected additional procedures: Urethral Bulking Procedures, UroLift and Axonics
- Ancillary services: Ambulatory Surgery Center, Imaging, In-House Dispensary and Laboratory
