

Advanced Urology

A Place to Call Home

Ready to join a physician-focused practice that values your input, invests in your success, lets you focus on patient care, and supports the work-life balance you and your family deserve?

Our physicians spend their time on what only a physician can do: making critical decisions, operating, and caring for patients.

We build incredible teams to support you. The result: a great culture, great people, and great outcomes.

Metro Atlanta is one of the fastest-growing regions in the country: more than six million people, a thriving culinary and arts scene, major-league sports, top universities, and one of the world's busiest airports.

Beyond the city are family-friendly suburbs with excellent schools, with the lakes and mountains of North Georgia an easy drive away.

Here is what you will find:

- **A practice totally built around physicians** — designed to be the best place in the country to practice urology
- **Co-located clinics and ASCs** for predictable scheduling, minimal driving, and flexibility
- **Real APP support:** every physician has an APP, and some are supported by four
- **Opportunity for income** with ASC, ESWL, and MSO equity, call pay, and additional revenue share
- **Comprehensive ancillary services:** PET/CT, CT, ultrasound, pharmacy, infusion services, and interventional radiology

We're growing.

We are seeking hard-working, down-to-earth, humble, and talented urologists to join our team of 21 physicians.

ADVANCED UROLOGY

Let's discuss the opportunity to become part of a physician-centered partnership.

Physician Careers

Built Around the Physician

Flexible schedules, real support, and shared ownership

WHERE YOUR TIME GOES

Your Hub
CLINIC + SURGERY CENTER, CO-LOCATED

Satellite Clinic
1–2 DAYS A WEEK · ~30 MIN AWAY

Hospital
1–2 DAYS A MONTH

Our clinics and surgery centers are co-located, so most physicians work from one hub, see patients at a nearby satellite clinic 1–2 days a week, and operate at the hospital 1–2 days a month. The result: predictable schedules, minimal driving, and flexibility built around you.

up to 4 APPs
Every physician has APP support— some are supported by four

up to 3 Equity Streams
ASC, ESWL, and MSO ownership available through buy-in

6 Surgery Centers
Purpose-built, single-specialty ASCs

14 Clinics
Across metro Atlanta and North Georgia

2 Interventional Radiology Suites

2 PET-CT Scanners

Income from day one

Every physician shares in all of these streams from their first day.

- Call pay
- Research revenue share
- PET/CT, CT, and ultrasound
- Pharmacy
- Infusion services
- Interventional radiology
- Lab and molecular testing

Leading-edge urology

- da Vinci X robotic surgery
- Histotripsy and HIFU
- Koelis transperineal fusion system
- First Medtronic World Center of Excellence for InterStim
- UroLift Centers of Excellence
- Prostate artery embolization
- Clinical trials and research

Support engineered around you

APP teams, staffing, workflows, and technology keep your time on patients and the OR, not paperwork.

Providing high-quality, comprehensive urologic care

Advanced Urology is Metro Atlanta's largest urology practice, with 14 clinics and six dedicated, single-specialty surgery centers delivering outpatient urology without the hospital.

Board-certified, fellowship-trained urologists and advanced practice providers offer complete diagnosis and treatment for urologic conditions in men and women — supported by leading-edge technology, evidence-based clinical pathways and real-time outcomes tracking.

Named an Atlanta Journal-Constitution Top Workplace and an Atlanta Business Chronicle Pacesetter, Advanced Urology is proud to be part of U.S. Urology Partners.
